

The Ministry of Finance, Economic Planning and Development in conjunction with CDH Investment Bank will on 28 November 2018, launch the Malawi Agricultural and Industrial Investment Corporation PLC.

Malawi Agricultural and Industrial Investment Corporation PLC (MAIIC) is a new private sector led development finance entity established to spearhead industrialization in Malawi.

MAIIC will open its doors to people, businesses, companies, agricultural cooperatives with bankable business projects seeking finance and technical skills to kick start or expand their businesses.
